GET READY TO ENJOY THE WATERWAYS

NAVIGATION IS EASY!

Our boats are easy to operate with either just one inside steering position or a second rooftop position to navigate under the sun with a panoramic view.

You will discover **simple controls that are easy to use**: the wheel, a gear lever and a few instruments on the dashboard. Don't worry if you've never been on a boat before - we'll show you everything you need to know before you set off. You'll be taken out on the water and given a hands on demonstration of everything from how to go through locks to tying up at the water's edge.

WARNING: the minimum age to take the helm of a boat is 16 years old but they must remain under the captain's (an adult!) responsibility.

WHERE TO STOP

During your cruise **you're free to stop wherever you like...**being careful not to disrupt the countryside and wildlife (or encroach on private property!) simply moor up and step ashore.

Day-by-day you'll discover new surroundings and sights as you travel at your own pace through beautiful countryside - a wonderful way to enjoy ever-changing scenery and the great outdoors.

If on the other hand you prefer the hustle and bustle of the towns and villages you pass on route then take advantage of the purpose-built ports and mooring sites. Some are free while others are available at a small charge (this varies depending on the size of the boat and whether there are power charging points). We estimate charges to be between 10€ to 50€. These comfortable and serviced areas will provide easy access to the town.

WARNING
the information provided in this document is not contractual. Characteristics may vary depending on the boats and the areas where you'll navigate.

CANAL OR RIVER?

Most of the waterways in our brochure are generally wide and nontidal making them easy to navigate. Depending on your chosen departure base you may cruise on both canals and rivers.

Rivers, where natural, are more susceptible to the possibility of flooding compared to the manmade canals - especially in Spring and Autumn.

Some navigation restrictions may occur as a result of this flooding and for your own safety we may change your departure base or restrict cruising to the canal sections only, rather than cancelling your cruise completely. Please make enquiries about the state of the waterways before leaving on your cruise.

LOCKS

- **Will I have to pay?** Passage through locks and bridges is free.
- **Are they automatic?** Most locks are automatic and operated by a lock keeper who may ask you to help them, whilst others are manual. In the Charente the locks are all operated by you and your crew, thus you are not restricted by timetables.
- **Are there days of closing?** Most locks are automatic and operated by a lock keeper who will be happy to help you. In general, lock keepers do not work on Bank Holidays : 1st May, 14th July, 1st November. For a list of regions concerned please contact us.

WATERWAYS GUIDES

A comprehensive guide is vital for planning your cruise. It provides detailed information of the waterways on which you will navigate highlighting **useful information** such as the location of locks, quays, water fill-up points in addition to **tourist information** such as places to visit and their opening hours, market days, good restaurants and much more. We recommend you order your waterways guide at the same time as booking so that you receive it with the other cruise documentation you will be sent. This means you will have plenty of time to plan your journey in advance.

EVEN MORE TO ENJOY...

BICYCLES

Bikes are available to hire from all of our bases and provide extra flexibility for exploring the area where you've moored, little villages, places of interest or simply for going to buy your daily bread.

A helmet is **mandatory for children under 12 years of age**: please remember to bring your equipment.

FISHING

Your boat is a great vantage point for fishing from. You can fish in the canals and rivers providing you hold a fishing licence. These can be purchased from local fishing tackle shops or on the web (www.cartedepeche.fr). As a guide, a 7-day licence for fishing will cost around 32 € in France and 40 € in Germany. In Portugal it's a one off cost of 25 € regardless of the length of your holiday.

BARBECUE

Hire all of the equipment you'll need to enjoy a barbecue, then simply pick up your food fresh from the many mooring places you'll find on route. Take it on board with you...most of our bases even offer rental of gas bottles. As with all barbecues please be careful and familiarise yourself with all the equipment before departure.

WiFi

Whether it's your tablet, laptop or mobile phone... stay connected during your cruise! Most of our bases offer a Wifi service that will allow you to connect multiple devices simultaneously*. For more information please contact us.

(*subject to the quality of network coverage. This varies by region).

YOUR LUGGAGE

Holdalls are recommended - they are easy to stow away. Suitcases do take up far more space on board, so perhaps unpack them and leave in the boot of your car. Take with you comfortable non slip shoes so that you can move on the deck without danger (tennis or baskets).

Don't forget sun glasses and sun creams, hats, gloves... and your camera!

The 'sweetness' climate of Anjou

ANJOU

 La Mayenne - La Sarthe - L'Oudon

The beautiful and welcoming valleys of Anjou are just 2 hours and 30 minutes from Paris. A cruise on the Sarthe and Mayenne rivers takes you to the heart of the region's rich heritage with numerous castles, mills and character villages to explore. A boating holiday in this area a great option for those new to the waterways.

FROM GREZ-NEUVILLE

Dotted along the banks of the Mayenne river are numerous places to visit such as the Lion d'Angers equestrian centre, the millennial city of Château-Gontier, the Port-Salut abbey at Entrammes and the historical cities of Laval and King René's Angers. Cycling enthusiasts will appreciate the excellent 'EuroVelo' towpath that runs along the river, specifically geared to cyclists and an award winner in 2017. Another hidden gem is the small and calm Oudon river that flows into the Mayenne close to Grez-Neuville and is therefore a must see.

GREZ-NEUVILLE

FROM LAVAL

See more with a one-way cruise from Laval to Sablé-sur-Sarthe or Laval to Grez-Neuville. This route is perfect for nature lovers taking in the high valleys of Anjou (a Natura 2000 nature protection area) with visits to great places such as Laval, Château-Gontier, Angers and Sablé-sur-Sarthe.

FROM SABLÉ-SUR-SARTHE

Discover the pretty Sarthe river and the surrounding delights. Meandering through verdant countryside dotted with picturesque villages. There are very few locks along its reaches, so it's ideal for beginners. Don't miss the most elegant castle of Plessis Bourré, the imposing Benedictine Abbey of Solesmes, Malicorne, capital of artistic porcelain and the older part of Le Mans town... Also enjoy local specialities such as rillettes du Mans!

The best bists : Locks operated by yourself so no restrictions on travel time ; Cognac and Pineau vineyards and tasting! Peaceful countryside and ancient Roman sites.

FROM SIREUIL

Large and winding, the river Charente quoted by François the 1st as “the most beautiful stream in the Kingdom”, runs through the ancient counties of “Langoumois” and “La Saintonge”.

For 171 km, from Angoulême to Rochefort, the Charente is regulated by 21 locks. The ancient vineyards cover the surrounding hills. Many cellars and distilleries will invite you to taste **the famous Cognac or delicious pineau des Charentes**. Along your cruise, you will find many villages and towns that are testimonies to a rich past such as Angoulême, Fleurac, Saint-Simeux, Châteauneuf, Saint-Simon, Bassac, Jarnac, Saint-Brice, Cognac, Saintes, Saint-Savinien, and Rochefort.

In the Charente area, the gastronomy based on seafood and local products, is waiting for you along the river with many of its restaurants preparing local specialities (“mouclade”, oysters, melon, meats, snails, cheese...). Fishermen will not be forgotten and will find plenty of brown trout, carp, pike, perche, and eels...

CANAL DU RHÔNE À SÈTE

CAMARGUE

 Canal du Rhône à Sète - Étang de Thau - Canal du Midi

The Camargue's close proximity to the Mediterranean means that you will also enjoy everything that you get from a holiday by the coast. Other highlights of cruising in the region are the south of France gastronomy, getting to explore one of Europe's largest nature reserves and lock-free cruising which is perfect for boating beginners!

FROM **AIGUES-MORTES**

Aigues-Mortes, where our Nicols base is located, is a **medieval fortified city** from the thirteenth century and is known as the starting point of the first crusades of King Louis IX.

From here you'll explore the Camargue region and the area around the Etang de Thau which is a huge **85,000 hectares nature reserve** with marshes and countryside that offer some of the richest and most picturesque flora and fauna in Europe.

Excellent southern cuisine including **the famous oysters** of Bouzigues and **the fine wines** of Costières de Nîmes, Picpoul and Muscat de Frontignan should be tried! If your crew **love the beach** then a day trip to the Mediterranean coastal towns of Grau du Roi, Palavas-les-Flots, La Grande Motte or Carnon is recommended. Other regional highlights are horse-riding with the Camargue 'manades' of Franquevaux or a **visit to the Salins du Midi** (salt marshes) that have surrounded Aigues-Mortes since the middle ages.

History lovers should explore the treasures of the Abbey of Maguelone or the town of Saint-Gilles that sits on the pilgrimage path of Saint-Jacques-de-Compostelle. Last but not least explore the city of Sète, a maritime town set at the opening of the Etang de Thau lagoon which connects you and your crew to the historic Canal du Midi...

Lake MÜRITZ

MECKLENBURG-EAST

Between Mecklenburg and Brandenburg, in the heart of a thousand lakes, discover nature at its finest in an area known as "Blue Paradise".

NEW

FROM FÜRSTENBERG

The Nicols base in Fürstenberg is located at the crossroads of two regions: north-west is Mecklenburg with its 1000 lakes while in the south-east is Brandenburg towards Berlin. Choose from a number of different cruising itineraries ranging from a couple of days in length up to two week holidays.

A natural paradise: the landscapes and greenery between the lakes, rivers and canals are stunning and you'll discover an abundance of flora and fauna. Bird-watchers should head to Lake Müritz and look out for eagles, cormorants, cranes and osprey.

Take a dip: if you like swimming then the clear waters of the lakes in this fascinating region is ideal. The water quality is up there with the best in Europe – at certain times of the year the water is clear enough for vision down to 12 metres deep – so perfect for underwater photos and spotting fish!

Rich historical heritage: your boating holiday leads you to some fine treasures of the past! Towards Mecklenburg (north-west) you will find Rheinsberg and its castle, the curious lakeside houses with thatched roofs of Mirow, Röbel and its half-timbered houses, Waren and the "Müritzeum" - a visitor centre for the Müritz National Park. Alternatively if you head towards Brandenburg (south-east) you'll reach Himmelpfort which is known as the capital of fishing (try the local specialty of smoked fish) and hometown of Santa Claus, before then reaching the charming little walled town of Templin.

For those customers who have a boat licence, Berlin and Potsdam are also great places to visit. Contact us for more information.

THE NICOLS® FLEET

The key to a successful boating holiday is in choosing the best boat from our four different ranges: Estivale, Confort, Sedan or Riviera. The following information will help you make your selection of boat before reading full details boat by boat over the next pages (pages 44 to 59)

WHAT IT IS THAT MAKES NICOLS BOATS SO GOOD!

Our boats have a vast living room with a **360° panoramic view**. The kitchen includes lots of equipment and has everything you'll need: **220l fridge with a freezer compartment***, ring-hob, oven / grill depending on boat model * and wide work top areas. The kitchenware is supplied as well as the bedding (sheets, duvets, pillows). Terraces are equipped with garden furniture and either a sun awning or parasol depending on the boat model.

**Fridge 220l except on: Riviera range, N800 and Primo®. Oven: except N800.*

To make moving from one end of the boat to the other safe and easy all our walkways are covered with an anti-slip surface, have a hand rail and a double railing* at a height of 60 cm (safety criteria imposed by the legislation for boats made in France). The rear terrace on the Sedan and Estivale ranges are on the same level as the living room meaning there are no stairs to negotiate going either in or out of the boat. The front terrace of the Confort range can be reached via a gangway 1 metre high moulded into the hull deck for the maximum safety. All these criteria mean that **Nicols® boats are one of the safest on the market**, particularly when it comes to **accommodating crews with children and/or people with reduced mobility**.

**except N800 and Primo®*

AWNING & MATTRESS

NEW: The OCTO® Fly C from the Estivale range of canal boats is the largest in the fleet at 15 metres long. It is the flagship boat produced by the Nicols boatyard and despite being the longest it is easy to drive thanks to bow thrusters.

This canal barge offers four cabins and four bathrooms at the very highest comfort standards available on a boating holiday. The OCTO Fly C is fully equipped with a large fridge/freezer, hob and oven, TV with satellite antenna, radio / CD / MP3 player, shore supply of 220 volts and a generator to allow 220 volts power even while cruising. What's more the canal boat has air conditioning for additional comfort which is especially welcome in warmer regions such as the Canal du Midi.

The boat has a covered rear terrace with table and chairs and access to the upper deck. Here there is a **small dining area and outdoor kitchen** in the shade underneath an **awning**. The second steering position and **two deck mattresses** for sunbathing can also be found here. What are you waiting for - to travel in unique style get on board the OCTO Fly C. No previous boating experience or a licence is needed.

VNF CHARGING TERMINAL**

Nicols® is proud to have been the first boat builder and holiday operator in Europe to launch a 100% electric powered canal boat. With a totally silent engine and zero emissions the Sixto® Green is non-polluting and environmentally friendly*.

Lithium batteries on board are fast to charge with only two hours charging time needed to provide a cruising range of between six to eight hours, so enough for between a day and a day and a half of navigation. VNF's fast charging terminals are located all along the waterways at approximately every 11km which mean you can stop wherever you want whenever you want.

* 100% of the electricity supplied by EDF on the charging terminals is guaranteed to be renewable (source VNF).

NB: Available cruise information is available on page 33 (Alsace region).

THE NICOLS® STORY

Nicols® began boat construction back in 1986 as part of a wider French industrial group that specialised in the transformation of plastic materials.

In 1990 the first Nicols® base opened in Dole in Franche-Comté. The following year a reservation centre opened to take rental bookings for holidaymakers.

Over 30 years later and Nicols® continue to manage the complete process: boat construction, boat hire and the managing of the bases. Over the years, different generations of boats have been created:

the Marinas, then Riviera, then the easily recognisable 'sea-yacht' shape and renowned terrace of the Sedans, the Confort range that is loved so much by couples and finally the newest Estivale range.

In total there are **four ranges, 28 boat models and nearly 600 craft** that have been produced from the Nicols® boatyard.
